Providence Golf Club
Monroe, GA

What is BIA?

BIA began in 2006. Our purpose from day one has been to train men and women to be better servants of Jesus Christ. We want their “axes” to be sharp, equipping them to be effective laborers in God’s vineyard. At BIA, we have always stressed two major themes: 1) The Word of God. The Scriptures share and teach us the mind and ways of God. 2) The local church. The church should be a light to its community.

Why Do We Need Fundraisers?

The cost of higher education is through the roof at most schools. We choose to be different. Our aim is to help our students finish their studies without having a huge debt hanging over their heads. In the last two years, BIA has been able to assist our students with over \$25,000 in scholarships. Had it not been for people like you, this could never have happened. Also this year, we plan to become fully-authorized by the state of Georgia. This step will enable us to move quickly toward accreditation. This is why we need your help!
